

PRESBYTERY *of*
SCIOTO VALLEY

Dear Colleague in Ministry:

Greetings. The Presbytery of Scioto Valley of the Presbyterian Church (USA) is committed to supporting ministries to students in Higher Education within our presbytery bounds. You have been identified as a campus ministry with whom we would like to begin (or continue) conversations and possible partnership that include sharing of ministry resources, ideas, and networking opportunities. The Task-Team on Higher Education and Campus Ministry, a ministry within the Presbytery's Commission on Nurture and Outreach, is commissioned to discern how best to be involved with existing and new ministry initiatives at institutions of Higher Education.

We look to continue this sharing of resources and collaboration for the Academic Year 2019-20. Included is an application for your review. In addition to receiving your funding request, we feel it serves to help us learn more about your campus ministry and how we might be of mutual support. **Please submit this application to the Presbytery office by June 7, 2019.** Send completed application with your current operating budget to: Peter Galbraith and Trip Porch (PSV Higher Ed Co-chairs) at pcgalbraith@gmail.com and tporch@granpres.org - OR - Mail to the Presbytery of Scioto Valley 4131 N High St Suite B, Columbus, OH 43214.

A note about our funding sources: The Commission on Nurture and Outreach administers grants funded from two sources. The first is funding from generous contributions towards mission from congregations within the Presbytery. The second is funding designated for campus ministry from the Synod of the Covenant of the PC(USA). In some cases, campus ministries are eligible for funding from both sources.

Thank you for your consideration and interest. It is our hope that more conversations and support may be shared within the campus ministries of our region. If you have questions about our process, please contact either of the Higher Education Task-Team co-chairs, Trip Porch (740-587-0178) or Peter Galbraith (740-753-2435), or you may contact the office of the Presbytery of Scioto Valley at 614-847-0565.

Grace and Peace,

Peter Galbraith
